Announcements

Hello to all Emerald Green Village Residents! Well after a few months since the annual meeting, the new board has finally nominated & elected the new HOA Board of Directors (BOD). We all need to thank Lou Ann Anderson for her great leadership & support for our community. The board is pleased to announce:

President Gary Marozas

Treasurer Curtis Kriner

Secretary Mike Johnson

Board Member Pam Rossell

Board Member Vacant

As shown above, the HOA is in need to fill the vacancy. Any homeowner interested in serving on the board is asked to contact one of the Board of Directors as soon as possible. As Lou Ann once said, serving on the board is an honor and rewarding position. If you can contribute a couple hours of your time once a month, you can do this! We need all ages and all kinds of experience. Thank you in advance for your willingness to serve your community.

Proposed Future Community Event Plans

The BOD is looking for your support for some exciting & fun-filled events for the community. Some new potential event ideas to be held behind/in the clubhouse include:

- Memorial Day Picnic
- Independence Day Pot Luck Supper
- Oktoberfest
- Christmas Gathering
- Summer bingo & movie nights

We are hopeful that all residents support our proposed events and enjoy spending time getting to know your neighbors & fellowship.

We would like to request some volunteers to champion as our “Event Coordinators” so please let the board know your interest in serving in this capacity.

Other Future Community Plans

On Saturday April 21st, a community wide yard sale will be held from 8:00am to 1:00pm. All residents are encouraged to participate. This is a great opportunity to clean out those closets & garages!

Note: Just a quick reminder to please pick up after your pets, especially around the mailbox area!

From the President’s Desk

For those of you that we have not met, my wife Diane & I retired from the Savannah River Site located in Aiken South Carolina back in June 2017. Diane retired from the Security Department and I retired from the Project Management Department with a BS degree in Chemical Engineering from USF. We moved to Mooresville for its location being near water and the mountains. I served in various positions with the Gem Lakes Recreation Association with the last 13 years as the President before moving to Mooresville.

I am looking forward to serving the community with your support and meeting each of you.

One of my primary goals is to give each resident a reason to say: “We love living in Emerald Green Village”!

Gary Marozas, Emerald Green Village HOA President
